

Fourth Grade Supply List  
2019-20

*Organization will be key to a fourth grader's success in school!*

**1 three-ring binder** - 1" or 1.5" width. It may have a clear plastic pockets on cover for decorating, if your student prefers. Please find one with pockets. This notebook will hold the weekly spelling list, vocabulary list, Bible verse, Bible journal, notes for history and science, paragraph writing, and more, but will be emptied on a weekly basis. (These are used daily, do not be surprised if you need to replace the binder during the year.)

**8 dividers** - with pockets, for the binder. Please invest in reinforced dividers.

**Pencil case** - with three holes, to keep inside the binder for pencils and note cards

**Composition Book** - We write daily in a "Bible Journal." Please buy 3, one for each trimester.

**Lined paper** - wide-ruled, reinforced holes work best. Students will keep binder sections supplied with paper.

**Graph paper** - packaged (not a notebook), for math class.

**Large pencil box or plastic case** - sturdy, to keep in cubbies or desk with extra supplies as follows:

**Ruler:** 6" transparent, if possible

**Pencils:** a good supply to start the year (recommended: 24)

**Colored pencils:** for map work; a small pack is fine

**Scissors**

**Glue sticks:** large and small are both nice to have

**3x5 index cards:** package for vocabulary and for science, and other things

**ESV Bible** - that can be marked up and kept at school.

**Water bottle with a good lid.**

**1 set of earbuds** that will remain in the library / media center

DONATIONS PLEASE:

Cleaning wipes, tissues, paper towels, cap erasers, pack of copy paper
