

Hello Windsor families! This year I am blessed once again to be able to give private lessons at Windsor. I will be offering drum, guitar and ukulele lessons. The lessons will be a half hour once a week and \$25 per lesson paid on a monthly basis.

If you are interested or just have questions let me know! If you send me an email or text just make sure you include your child's teacher's name. I like to check with the teacher first to find out the best time to pull them from class.

I was a percussion major at West Chester University and have had close to 15 years of teaching experience. I do not have a set curriculum because I have realized through the years that every child learns differently. I teach all of the fundamentals and recommend daily practice but the ultimate goal is fun. By the end of the year we will hopefully be playing songs that your child wants to learn. I hope everyone has a blessed year.

Thanks!

Kathy L.
