

2 Corinthians 9:8

And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work.

WHAT IS SOW GRACE?

Sow Grace is a year long service project where WCA students serve their neighbors and community with acts of love through God's grace. Throughout the year, students come alongside the Chester County Food Bank and Chester County Connect Care to provide needed support and supplies. Our students in grades K-8 give countless hours of time to care for the garden and donate all of the produce to the food bank. In addition, during the school year, students participate in food and supply drives donating: cereal, soup and much needed baby care items.

ACTION ITEMS 2023

Plant, tend & harvest gardens

Every year, WCA donates over 1,000 pounds of fresh produce to the Chester County Food Bank.

Food Drives

Students collect soup, cereal and other canned goods blessing the Chester County Food Bank with over 1,000 pounds of food items.

Diaper Drive

Students collect diapers & baby wipes for mothers and babies served by Chester County Connect Care. Each year, Windsor donates over 1,000 diapers and over 2,500 wipes.

HOW DO YOU HELP?

Consider sponsoring a WCA student as he/she participates in our Sow Grace annual initiative. A \$50 donation provides the needed support for your student to complete his/her service. Of course, donations of any amount are critical to supporting needed scholarship funds. Your support enables students to volunteer their time and talent while in turn allowing you to contribute to the scholarship fund at WCA.
